SINGLE FEASIBLE SOURCE PURCHASE POSTING NOTICE

The Missouri Department of Transportation has determined that only one source can provide the products or services described below

Title: SFS 7-130118RW
Evaluation & Retrofit of Forney Hydraulic Compression Machines

Description: The Missouri Department of Transportation (MoDOT), Physical Laboratory, has determined that only one source, Forney Inc., can provide the department with an upgrade and retrofit for the operating systems and control mechanisms for compressive strength machines, Model FT40. Upgrades will be retrofitted to use with existing FT40 load frames. Interface offered by Forney, using the existing Forney frames, provides standardization of operating systems across the state. Machines in our St. Louis District will be used for the initial evaluation. Additional upgrades will be determined based on that evaluation.
